Respa. | Dual 1200 | Pocket Collection

6 YEAR WARRANTY

Firmer support with turnable comfort

A medium-firm feel for customers who prefer stronger support. Its Respa Form 1000 pocket spring unit provides body-responsive comfort, while the double-sided design adds practical durability. A dependable choice for those who want a firmer and more traditional mattress feel.

Comfort Feel
Medium-firm comfort for a more supportive sleep feel.

Support
The Respa Form pocket spring unit responds to your body for reliable support.

Pressure Relief
Foam comfort layers add cushioning while maintaining a firmer overall feel.

Sleep Surface
Knitted quilted fabric creates a comfortable, tailored finish.

Best For
Ideal for customers who prefer a firmer, more supportive mattress.

Key Feature – Turnable Design
Double-sided construction helps extend the comfort life of the mattress.
