Medium-firm support with plush pillowtop comfort

The Luxury Support combines a supportive medium-firm feel with the added comfort of a detachable pillowtop. 2000 RespaForm pocket springs provide responsive support, while 3D Airflow and thermo-regulating foam help create a cooler, more comfortable sleep environment.

Comfort Feel

Medium-firm comfort with a plush pillowtop for added cushioning.

Support

2,000 RespaForm pocket springs respond independently to provide more tailored body support.

Pressure Relief

The detachable pillowtop adds extra cushioning to help the body settle comfortably with the correct support in place.

Sleep Surface

3D Airflow and thermo-regulating foam help create a fresher, more breathable sleep surface.

Best For

Customers who want stronger support without sacrificing soft, cushioned surface comfort.

Key Feature – Pillowtop Comfort

A removable pillowtop adds an extra layer of plush comfort and can be aired separately for easier care.
